## Sun Metro to Host Event to Unveil New Paratransit Service Vehicles

- Who:** The City of El Paso and Sun Metro
- What:** Event to Unveil New Paratransit Service Vehicles
- When:** 10 a.m. Thursday, August 17, 2023
- Where:** Sun Metro Transit Operations Center  
10151 Montana Ave.

Sun Metro invites the public to an event to unveil its new paratransit service vehicles.

The vehicle replacement effort is part of Sun Metro's strategic efforts to improve paratransit services by enhancing customer service and modernizing its paratransit fleet. More than half of the paratransit fleet is new thanks to this summer's arrival of 20 new vans.

Sun Metro began modernizing its LIFT fleet in 2022 when it introduced 10 new small buses. Another 10 small buses are expected to arrive in early 2024, and they will be followed by the purchase of electric vehicles using federal grant funding.

The Sun Metro LIFT paratransit service provides origin to destination (curb-to-curb), and on-demand transportation to ADA paratransit-eligible clients. The services are provided by MV Transportation, Inc., through a contract with Sun Metro.

To learn more about LIFT paratransit services, visit the [LIFT website](#) or call (915) 212-0100 or (915) 212-3333.
